Objectives

As a final-year BCA student with enthusiasm passion for coding and software development, I am eager to immerse myself in an internship program. My objective is to leverage my academic knowledge and enthusiasm for technology to gain practical, hands-on experience in Front-End, and Web development. Committed to develop career path and motivated to stay on task and accomplish goals.

Academic Details

- 2024 - Bachelor of Computer Applications(GU) 8.04(SGPA)Sem 4 - Present
- 2021 - 12th from Shree Vidyanagar High School
- 2019 - 10th from Shree Vidyanagar High School

Skills

- HTML
- CSS
- Bootstrap
- Javascript
- ReactJS
- MySQL
- MongoDB

Projects

CRWN-clothing- E-Commerce Web Application(React.js)

- Crwn clothing is an E-commerce web application developed using React-js as a personal project in my academics. It is a frontend-web-application in which leveraged react concepts such as hooks, routing, state management using redux etc.
